OK. I was misreading this page:

<http://www.epa.gov/earth1r6/6sf/reuse/contacts.html>

I see now that titles are above the names, even though the spacing is weird and the titles seem to apply to the name before them, not the one coming after the gap...

Will Casey be there? She is listed as **Superfund Reuse and Redevelopment Coordinator**, and I have spoken with her once before when Don Williams asked her to call me.

Karen is listed on that page as **Land Revitalization Coordinator**. I hope both Casey and Karen can attend the meeting.

I will check and see if Karen is available, she is the Reuse Coordinator. I do not believe that Barbara needs to be at the meeting, we already have two attorneys that are scheduled to be there. Gloria, the site attorney and Joseph Compton who works on institutional control issues. CAS

Thank you Carlos. Will Casey Luckett Snyder and Karen Peycke be attending also from Reuse & Redevelopment? Should Barbara Nann be invited also?
